

HAL SMITH SOUND

Freelance Sound Recordist and Dubbing Mixer
halsmith94@gmail.com
www.halsmithsound.co.uk
07934764619

I'm a freelance sound specialist operating between Bristol and London with a strong passion for all things audio. My career has mostly consisted of location recording for visual media, but sound designing, dubbing mixing and creating sonic art/experimental music is also a passion of mine and an area I'm constantly developing and exploring.
